**Relaunching Church Services
Sunday, September 6th, 9:30 am
Covid-19 Guidelines**

1. We will begin fall services on September 6th. We will be following the provincial guidelines. At the moment a maximum of 50 people can attend providing social distancing is practiced. We will sit 6 feet apart in allotted pews. Members of the same household may sit together.
2. When entering the church you will be given a mask, if you don't have one already, and you will be required to keep the mask on throughout the church service. Do not gather in the church entrance before the service and do not linger in the sanctuary after the service.
3. You will leave the sanctuary via the exit door at the back of the church.
4. As you enter the church you will be asked to record your name and phone number. This list is required in case there are any Covid-19 infections.
5. The church hall (basement) will not be used during the service. The washroom in the entrance is the only one that may be used.
6. If you should prefer to not attend the service, the service will be available on Facebook Sunday afternoon.
7. Although hymns and organ music will be part of the service, there will be no singing during the service.

Hoping and praying everyone is well
